

Imaging Conference JAPAN 2011 Fall Meeting

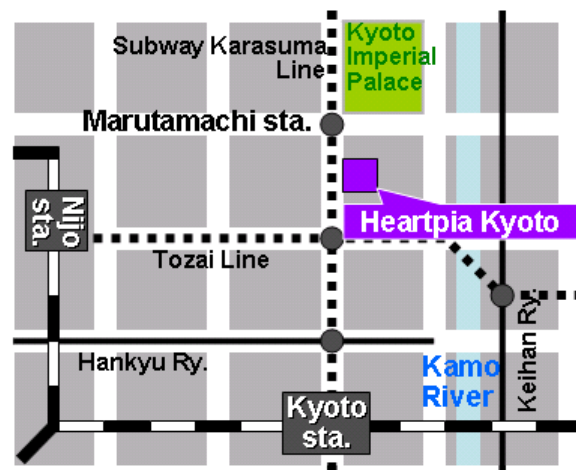

The ISJ's Technical Conference on Imaging Science

December 2, 2011

Heartpia KYOTO, Kyoto, Japan

The “Imaging Conference JAPAN 2011 Fall Meeting” will be held following the agenda described below. The “Imaging Society of Japan” provides opportunities to learn about the latest technical development in imaging science and technology.

The conference committee cordially invites you to join us for intensive discussions and exchange of ideas about the future imaging and hardcopy technologies.

Program topics

1. Ink jet
2. Electrophotography
3. Direct marking
4. Digital fabrication
5. Electronic paper, Rewritable marking
6. Novel imaging
7. Display
8. Image input
9. Image processing and network
10. Image measurement and evaluation
11. Color and sensibility on Imaging
12. Environment protection and energy saving

An Invitation to Authors

Original technical contributions on imaging science and technology are invited. Suggested topics include those listed under “Proposed program topics”. Authors may choose either a 20 minutes Oral presentation including a 5 minutes question period or Poster presentation (Oral presentation may be changed to Poster presentation). Oral and poster presentations are considered as being equally important.

Please submit the information requested below via e-mail by September 9, 2011.

e-mail: event@isj-imaging.org

- Mail subject: [**ICJ2011Fall Abstract Submission**]
- Paper title
- Abstract of approximately 200 words.
- Author name(s), affiliation(s), address, telephone, fax and e-mail.
- Preferred session assignment
- Preference (if any) for oral or poster presentation.

Preferences will be accommodated whenever possible.

Full papers (within 4 pages) must be submitted by October 7, 2011

(Printed paper and electronic paper saved as PDF (Acrobat ver.5) are requested.

Detailed instructions for the papers will be sent upon acceptance. Authors are responsible for obtaining the necessary and appropriate clearances from their company, or organization. If you have any questions or need further information about paper acceptance, please contact the [ICJ2011 Fall Meeting] committee by e-mail: event@isj-imaging.org, or by fax: +81-3-3372-4414..
