

Imaging Conference JAPAN 2014 Fall Meeting

The ISJ's Technical Conference on Imaging Science

November 21, 2014

Kyoto Institute of Technology, Kyoto, Japan

The “Imaging Conference JAPAN 2014 Fall Meeting” will be held following the agenda described below. The “Imaging Society of Japan” provides opportunities to learn about the latest technical development in imaging science and technology.

The conference committee cordially invites you to join us for intensive discussions and exchange of ideas about the future imaging and hardcopy technologies.

Program topics

1. Ink jet
2. Electrophotography
3. Direct marking
4. Digital fabrication
5. Electronic paper, Rewritable marking
6. Novel imaging
7. Display
8. Image input
9. Image processing and network
10. Image measurement and evaluation
11. Color and sensibility on Imaging
12. Environment protection and energy saving

Invitations to Authors

Authors who made original technical contributions on imaging science and technology are invited. Suggested topics include those listed under “Proposed program topics”. Authors may choose either a Oral presentation or Poster presentation (Oral presentation may be changed to Poster presentation). Oral and poster presentations are considered as being equally important. Please prepare the information requested below and submit via “ICJ2014Fall Abstract Submission” webpage available in ICJ2014Fall site.

Submission Deadline : September 19, 2014.

- Paper title
- Preferred program topic
- Preference for oral or poster presentation
- Abstract of approximately 100 words.
- Speaker name(s), age, ISJ member No.
- Speaker affiliation(s), address, telephone, fax and e-mail.
- Co-author(s) name(s) and affiliation(s)

Paper Preparation

Please refer to the template file (MS-Word) for preparing the manuscript of this conference. Color graphics (figures, photos) are printed in B/W on the hardcopy proceeding but you can represent color in the CD-ROM proceeding.

Please submit a MS-Word file via “ICJ2014Fall Paper Submission” webpage by the due date. “Guide for Paper Preparation” instructs you how to convert MS-Word to PDF files on the web page. The webpage will be prepared by the beginning of the next September.

Full papers Due : October 10, 2014
