Call for Paper

How to Submit

Abstract deadline Feb. 05, 2008

The PPIC '08 conference committee cordially invites you to join us and to discuss and consider the future imaging and hardcopy technologies with us. Please submit the information requested below via e-mail with the title (mail subject) of "**PPIC08 Abstract Submission**". Receiving confirmation mail and "Guide for Paper Preparation" will be sent. You can also refer to the "Guide for Paper Preparation" in PPIC08 website. We prepared the application form (EXCEL file) for E-mail submission in PPIC08 website.

Submission must include:

1. Paper Title
2. Track No. & Program Topics No.
3. Preference for oral or poster:
Oral, Interactive(Poster), Either
4. Speaker: Name, Belonging society, Affiliation, Address,

Correspondence(TEL, FAX and E-mail address)
5. Co-authors: Name, Affiliation
6. Abstract (within 400 words)
e-mail address: event@isj-imaging.org

Paper

In this conference, we will distribute the printed proceeding book and its CD-ROM to the participants. Authors must send the PDF type files of full paper (within 4 pages) written in CD-R Disk to conference committee by **April 5, 2008**.

We prepared the template file (MS-Word) for preparing the manuscript of this conference. The manuscript should be formatted using the modified style provided in this template document, i.e., Paper Title, Author Name(s), affiliation, Abstract,

Section Title, Subsection Title, body, Figure and Table, Figure Caption, References, etc. in a 2 column format on A4-size paper.

PPIC'08 Conference

In 2008, the Imaging Society of Japan (ISJ) observes the 50th anniversary since 1958. The ISJ is greatly proud of worldwide contributions in the image science and hard copy technology fields. Taking this opportunity, we have an International Conference on imaging science and technologies named "Pan-Pacific Imaging Conference '08 (PPIC '08)", jointly with the Society of Photographic Science and Technology of Japan (SPSTJ), to establish a stronger network with Asia, Oceania, North America and European countries. This conference is also to be extended ISJ and SPSTJ annual conferences.

Keynotes

Keynote speech will talk on recent advance and future directions in imaging and printing technology on a broader point of view.

- 1) "HP's SPT and Edgeline technology with emphasis on photo finishing"*: Rob Beeson (HP)
- 2) "Technology trend on electro-photography"*: L.B. Shein (Consultant)
- 3) "Current report on Drupa 2008": (DNP**)

* Temporary title

** Speaker will be fixed.

Track I Imaging System

(material, device, process, mechanics, system, simulation)

1. Electrophotography
2. Ink Jet
3. Direct Marking
(Thermal printing, Toner marking)
4. On Demand Printing
and Industrial Printing
5. Novel Imaging

Track III

Innovation for Society

(Frontier of imaging)

1. Electronic Paper and Flexible Display
2. Rewritable Marking
and Reusable Paper
3. Digital Fabrication
4. 3D Imaging
5. Ecology and Security

Track II

Intelligence and Science

(vision, brain, processing, measure, photography)

1. Image Capture and Camera System
2. Color Science
3. Image Archives
4. Image Processing, Image Recognition
and Image Evaluation
5. Application of Imaging (Medical,
Graphic Arts etc.)

Special Sessions

The committees are preparing two special session. One is introducing the recent and future activities of imaging science and engineering in the Pacific Limb and the other is a session focused on "Digital Photo Print" by experts in key imaging technology areas.

Regional Report

- 1) USA: Eric G Hanson (HP)
- 2) China: Jia-Ling Pu (Beijing Institute
of Graphic Communication)
- 3) Korea: Eunkyong Kim (Yonsei Univ.)
- 4) Vietnam: C. Nguyen (Saigon Hi-tech
Park Research Lab.)

Topical Session

- *Current Technologies for Digital Photo Print"
- 1) "Electrophotography"
 - 2) "Thermal print"
 - 3) "Silver halide"
 - 4) "Image Processing"

Invitation to Exhibitors

The committee plans to have a exhibition of printing and imaging related products. If you would like to exhibit at PPIC'08, please contact PPIC08 office.

event@isj-imaging.org

The exhibit dates are Thursday,
June 26th and Friday, June 27th.
