

Let's join to the trial use of Electronic Paper Proceeding

A field test of Electronic Paper Proceeding will be performed by a jointed project of Tokai University and Brother Industries, Ltd. during PPIC '08. This test is expected as the world first trial of Electronic Paper for an application to conference proceedings. Twenty sets of terminals (Electrophoretic display: A5 size) will be provided as electronic readers during the conference.

Please fill out the application form below, if you are interested in using the Electronic Paper Proceeding and willing to accept the duty of filling out an answer sheet of your evaluation result for the Electronic Paper Proceeding.

Guideline of trial use

- Attendees who have completed the pre-registration of the conference can apply to this test.
- You can use the Electronic Paper Proceeding only one day during the conference.
- You have to accept your duty of filling out an answer sheet of your evaluation result for the Electronic Paper Proceeding when you will be selected as a test user.
- Test users will be handed the Electronic Paper Proceeding at the reception desk, and have to return it to the reception desk before leaving the conference site on the same day.
- You have to show your ID card when receiving the device and you will also be requested your business card.
- You have to fill out a contract form, in which you have to promise to return and not to decomposit the device, before receiving the Electronic Paper Proceeding.
- Please understand that test user will be selected from the applicant on purpose by the organizers in order to get ideal distribution of the property of users; generally first-come-first-served basis will be applied.
- A notification will be sent to you if you will be selected as a monitor of this test. Please understand that reader terminals may not be available for every applicant because of the limited number of devices: only 20 sets.
